I hereby declare that the above statements and particulars, or any statements and particulars made in any and all documents, applications, supplemental pages or other attachments (hereinafter "Attachments") for the purposes of my initial or renewal application, are true and that I have not knowingly suppressed or misstated any material facts and I agree that this application, and any Attachments, shall be the basis of the contract with the Company. I agree to notify the Company if there is any future material change in any answer to this application, or its Attachments, including without limitation, any change in my professional specialty, affiliation, or working arrangement with any other dentist, physician, firm, or professional association.

I understand that, to the extent permitted by law, the Company reserves the right to deny coverage for any claim submitted under this policy if I have made misrepresentations, omissions, or incorrect statements, or if I have concealed facts that are: (1) fraudulent; (2) material either to the acceptance of the risk or to the hazard assumed by the Company; and (3) the Company in good faith would either not have issued the policy, or would not have issued the policy in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the Company as required either by this application for the policy, subsequent notice, or otherwise.

I further understand and agree that I have no right to demand or expect coverage until the Company has: (1) received my completed application; (2) offered me a premium quote; and (3) received, as a precondition to coverage, the total premium due or, if the Company has agreed to finance the premium, the first installment due. In addition, I understand that if I pay my premium or first installment by check, electronic transfer or money order, it shall not be considered as "received" by the Company until it has been honored by the bank.

I agree that if I fail to comply with these terms I will have no coverage for any claim under any policy of insurance for which I am applying.

I also understand that the Company may wish to contact persons, hospitals, schools, employers, insurance agents, professional liability insurers or other entities to verify and/or ascertain information regarding my credentials and background both prior to and if issued, after the issuance of a contract of insurance. Therefore, I hereby instruct any such person, hospital, school, employer, insurance agent, professional liability insurer or other entity to release to the Company any information regarding me, which the Company, in good faith, believes to be applicable and pertinent to this application and if issued, the contract of insurance issued hereunder.
